

OCEANOGRAPHIC TURTLES AND SOCIB

Sea turtles are great travellers. So the researchers put a gadget on its shell which helps them to find out about the sea they travel through.

How do you think the turtle sends data to SOCIB?

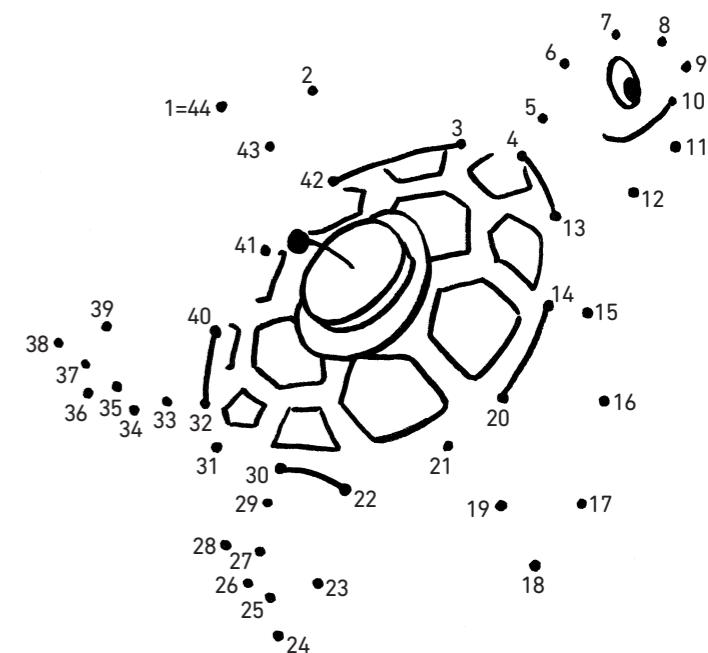

NAME _____ AGE _____

How do my family and I help preserve the ocean?

.....
.....
.....

Join the dots in numerical order and you will draw your very own oceanographic turtle!

My oceanographic turtle's name is

DID YOU KNOW? SOCIB ...

uses the information the turtles sends it to improve the survival of these sea creatures. You can also get in touch with them over social networks #TortugasOceanógrafas
